

service to our Nation concluded, Hoppy continued giving back as a coach and supporter of one of the local Little League football teams. Hoppy was well-known as a tenacious supporter of youth sports in the Kanawha Valley and, for many years, would continue to support the youth of the valley in a variety of initiatives. Good coaches win games, but great coaches, like Hoppy, have a lasting impact on your life. They are models for how to manage success and failure—and how to take the lessons you have learned in athletics and apply them to your adult life. I can only begin to imagine how many leaders Hoppy forged throughout his time as a coach—and how many of his former athletes still look up to him to this day.

Hoppy and his beloved wife Bronson, who shared his life for 68 years, raised their four children in Charleston. Despite his illustrious life filled with awards, accolades and achievements, Hoppy always considered his family his greatest accomplishment of all. He built a successful career in insurance; eventually, this career would culminate in the Hoppy Shores Insurance Company. His impeccable work ethic was well-known, and all those he worked with considered him an honest, fair, and kind soul.

As a successful businessman, family man, and youth sports supporter, Hoppy extended his civic engagement to elected positions. Hoppy dedicated 42 years to the Kanawha County Commission where he will be remembered for his staunch commitment to Yeager Airport and the Kanawha County Parks and Recreation board. He loved “Hoppy’s Little Express Train” and his big smile atop the engine brought joy to each and every onlooker he rode past. As the longest serving Kanawha County commissioner in history, with an unmatched record of public service, the commission courtroom was named “The Henry C. ‘Hoppy’ Shores Courtroom” in his honor. I believe this outstanding tribute is a testament to his dedication to the citizens of Kanawha County. In addition to his 42 years on the Kanawha County Commission, Hoppy added 4 years of service in the West Virginia Legislature, where he will be remembered as a tenacious advocate for his neighbors in the Valley.

Everything Hoppy stood for and represented lives on in the hearts and minds of all who had the privilege of knowing him, myself included. I was honored to call him a friend, and I know I join so many when I say West Virginia has lost a shining star. Hundreds of tributes have poured in about our friend Hoppy since his passing, but there is one tribute that I think best shows who he was. Soccer was an emerging sport in the State, and Kanawha County was deliberating building a major soccer complex. The idea was hitting resistance, and it became the subject of a county commission meeting. During the public meeting, a young girl made a presentation

about the importance of soccer in her life. Some opponents of the project began heckling the brave young girl. It is reported that the lack of decorum and bullying displayed by those opponents angered Hoppy so much that he looked at fellow County Commissioners Kent Carper and Ben Salango and said, “Let’s just do it.” And that is how the Shawnee Sports Complex came to be. I know that every time I visit Shawnee, I will think of Hoppy siding with that brave little girl and smile.

So many people have inspirational stories about Hoppy. It is my hope that his many friends and family have found peace, strength, and support in one another and in the support of our entire home State for our shared loss of this wonderful person. He will be dearly missed by all who knew him.

What is most important is that he lived a full life, surrounded by the people he loved most. Gayle and I offer our deepest condolences to Hoppy’s wife of 68 years, Bronson; and their children, Henry, Sherry, Scott, and Lynn; his many friends; and extended family. We will forever keep Hoppy and his family in our thoughts and prayers.●

100TH ANNIVERSARY OF CON PAULOS CHEVROLET

● Mr. RISC. Mr. President, along with my colleagues Senator MIKE CRAPO and Representative MIKE SIMPSON, I rise to congratulate the Paulos Family on their 100th anniversary of having a Chevrolet Franchise continuously in operation.

On February 22, 1922, Con Paulos’ grandfather, Gus A. Paulos, opened a Chevrolet franchise in Magna, UT. After Gus was killed in an automobile accident, his sons carried on the family business for 42 years in Utah. In 1975, Pete G. Paulos and Ernest A. Paulos, along with their sons Con P. Paulos and Gus E. Paulos, moved the store from Magna to West Valley City, UT. In 1979, Con P. Paulos moved to Jerome, ID, and opened Con Paulos Chevrolet, which is the only Paulos family-owned store that continues to operate.

With the help of his outstanding staff, Con has built his business reputation on providing quality automobiles to his loyal customers honestly and ethically. Con has not only created a successful business, he has also become an important part of the Magic Valley region and the State through his community leadership. He is committed to growing, improving, and developing the local economy, while furthering opportunities for fellow Idahoans. For years, Con has participated in many community service projects and organizations: 60 Hours to Fight Hunger, Santa’s Cause, Sleep in Heavenly Peace, Sub for Santa, Boys & Girls Club, Rising Stars, Valley House, Business Plus, Chamber of Commerce, the Greater Twin Falls Area Transportation Committee, and the Rotary Club, to name just a few.

In our tenure serving Idaho in the statehouse and in Congress, we have

had the opportunity to work with Con on many important State and national issues. He is someone we trust to provide valuable insight and advice on many subjects. In addition, we have had the pleasure of recreating with Con in various settings, including a duck blind in Hagerman and on the links of Blue Lakes Country Club. Con is a straight shooter in the field, on the golf course, in his business, family, community, and his life.

Today, the fourth generation of the Paulos family, Peter “Costa” Paulos, is actively helping Con operate the dealership, continuing the family’s legacy. Costa also recently added a new member to the Paulos family with the birth of Gus, Con’s new grandson. Fore-shadowing the future, Baby Gus could possibly keep the Paulos family Chevrolet line intact for a remarkable fifth generation.

Congratulations to Con, his family, and all the employees of Con Paulos Chevrolet on 100 years of outstanding service to Magic Valley, ID and the Nation. You make our great State proud, and we look forward to your continued growth and success.●
